

Dear Friends in Christ,

It has been a truly amazing year and I would like to take this opportunity to thank you all for your love and support during 2005. The messages given here are not only for us but for everyone. Our Lady asked that we take these messages to the world. We are called to help Our Blessed Mother in the Triumph of Her Immaculate Heart. On the 8th December we finished saying the 33 day Consecration to the Triumph of The Immaculate Heart. If you would like a copy of this booklet please feel free to write to us.

The main message Our Lady has given us for this Christmas is to live a more simple life, trust completely in God's Divine Providence and reach out in love to all those people that God puts in our path. We are asked to spend time with Our Lord in front of the tabernacle, receive the Sacraments as often as possible, pray, fast, do acts of self sacrifice for the salvation of souls and read the Scriptures.

Luke 8:5-8; 11-15 (New American Standard Bible)

5 "The sower went out to sow his seed; and as he sowed, some fell beside the road; and it was trampled under foot, and the birds of the air ate it up. 6 "And other seed fell on rocky soil, and as soon as it grew up, it withered away, because it had no moisture. 7 "And other seed fell among the thorns; and the thorns grew up with it, and choked it out. 8 "And other seed fell into the good soil, and grew up, and produced a crop a hundred times as great." As He said these things, He would call out, "He who has ears to hear, let him hear."

11 "Now the parable is this: the seed is the word of God. 12 "And those beside the road are those who have heard; then the devil comes and takes away the word from their heart, so that they may not believe and be saved. 13 "And those on the rocky soil are those who, when they hear, receive the word with joy; and these have no firm root; they believe for a while, and in time of temptation fall away. 14 "And the seed which fell among the thorns, these are the ones who have heard, and as they go on their way they are choked with worries and riches and pleasures of this life, and bring no fruit to maturity. 15 "And the seed in the good soil, these are the ones who have heard the word in an honest and good heart, and hold it fast, and bear fruit with perseverance.

Our Lady asks us all if we have the courage to step out and be true disciples and spread the message of the truth of Her Son Jesus the Christ. Sometimes words are not necessary but rather our loving actions towards others. Faith without good works is dead. As the prayer Reaching Out says (October newsletter):-
*"Let my words be your words.....encouraging My ears be your ears.....
Understanding My heart be like yours.....forgiving My joy and peace overflowing
May we again be ONE around your Table, worshipping the Father, through The Son in the Holy Spirit."*

This year Eileen and I have decided to have a simple Christmas and go back to Mum's old recipes and bake and give presents that we have put our love into. It doesn't have to be a time of rushing and getting stressed. It should be a time when we prepare for the coming of Our Lord and Saviour. Be like the sower and sow in fertile ground. You may plant the seed, then let God water and nourish the plant. Let us all start to make the change to live these messages fully and make a difference in this world. Christmas is such a great time to reach out to our family and friends in love and let the light of Christ shine brightly for all to see.

With love and God's abundant blessings

**Message given to Eileen on
8th December 2005** (Apparition night)

Look to the sky and notice the pointer stars which guide you to the Southern Cross. Many a weary and lost traveller has used these stars at night to guide them back onto the right track. The three Kings looked to the east and a bright star guided them to their Lord and Saviour Jesus the Christ. I ask you this night to come to Me, your Heavenly Mother and allow me to be the bright heavenly star which guides you back home to my Son Jesus. Do not dismiss the signs you are given but know that they are given to you for a purpose. The signs are given to help you to come back on the narrow path. As we come close to the celebration of the birth of my Son Jesus I ask you to take time to really prepare yourself for the Christmas season and for the graces and blessings you will receive. Do not stay distant and observe from afar but be like the shepherds – come close and adore on bended knee your Lord and God. Bring others with you, bring them in your prayers and know that your Heavenly family will hear your prayers offer with a humble heart and will guide and protect those people you bring in your prayers. Reach out in love and let others know the love of my Son through your love and caring actions towards all those you meet. I know it is difficult but I want you to trust completely and look to Me your guiding star and believe that you do not have to be worried about anything because I want to, as your Heavenly Mother, look after you and all your needs. Give humble thanks for all the gifts you have been given and I want you to ask for Jesus to come into your heart so you can be united in the love of your Eternal Father through His Son Jesus in the gifts and graces of the Holy Spirit.

Our Lady asks for a Novena

**Message given to I.A.N. on
8th December 2005**

I ask you to walk hand in hand with me and walk in the light and the truth of my Adored Son. Trust completely in the Will of Almighty God for when you walk with my Son and trust in The Father then love will be within you and you will have peace. So many times I call you to peace and I call you to show the love which is within you to your brothers and sisters for it is through love that salvation will be gained for many souls. Trust and walk in the light for these are the principles which you must remember if you are to step out boldly in faith and be courageous in your faith as you reach out. Never lose sight of the love of The Christ and wait patiently for His return. The early apostles lost sight of The Christ and thought He had left them alone. They did not fully understand that which He had told them. My dear friend never lost hope or sight of My Adored Son and she waited patiently at the tomb for His return. Her faith was such that she was rewarded by becoming the apostle to the apostles. It fell upon her to witness the glorious sight of the resurrected Christ and the moment when redemption dawned upon the earth. Trust in the power of His mercy and forgiveness which is poured on you. Willingly accept and recognise his gifts and love and promote that love to all. Receive the Sacraments often, pray and read the Holy Scriptures. The scriptures are the way to understanding Read the gospels and the letters. Read the old and the new books for the wisdom of all ages is contained within those pages. Answers for all of your questions from the past and present, and even those questions as yet unasked are found in those books. Trust and love and be at peace. Read the Gospel of John Chapter 14 verses 1 – 4 and also read the letter to The Philippians 1 verses 9 – 11 Stay at peace , I thank you for being with me this night.

Four Wise Women from the East

On the 7th November I.A.N. borrowed a van and drove 45 mins to the airport and picked up four ladies who had flown over from Wollongong. Irene, Claire, Jen and Coral are friends who decided to make the pilgrimage over to Our Lady's Beloved Shrine. What a blessing they received. They stayed next door at Bethany for 3 nights and joined us for all prayers. On Friday night Our Lady kissed the cross on their rosary beads and both messages contained words of encouragement from Our Lady to take home with them. When I.A.N. drove them up to Perth on Saturday they were all sad to leave but as they opened the boot to get their luggage the perfume of Our Lady was still present. I was told that the car still smelt of the perfume two days later. We loved having them visit and welcome anyone who would like to make the journey
