

8th February 2006 via apparition to I.A.N.

Thank you for allowing me to be with you at this time.

I give to you this night my maternal blessings and pass to you the great blessing from The Father and The Son and The Holy Spirit.

Allow your days to be filled with the love and joy which comes from the knowledge and acceptance of my Adored Son, Jesus. I ask that you allow His light to shine through you and into those you come to meet and that it may illumine the entire world and rid it of the darkness which tries to cover it. Do not fear the task at hand and do not believe it will be easy to achieve. All matters which bring you to the love of the Father are met with opposition by the evil forces which want to steal you away from Him. Persecution and torment for the sake of your brother, The Christ, goes hand in hand with faith and acceptance. Remember He has said that if they hate you it is because they hated me first.

Accept the burdens which come with faith and spiritual growth and turn them into strength and an example of devotion. Trust in the love of The Eternal Father and find quiet time during each day to pray and reflect on His mercy and love and greatness. See each new day as an extension of His living creation and do not be blinded to His loving gifts which He shows and gives each day. All comes from and through Him so give thanks and praise. Do not let your mind be still or idle but seek to increase your knowledge each day through The Holy Scriptures. Receive The Christ often through The most Holy Eucharist and always seek forgiveness through a humble and contrite confession followed by sincerely performed penance. Find protection beneath the mantle of my Immaculate Conception as I lead all to The Sacred Heart of Jesus. Read 2nd Timothy Chap 4 verse 18 and feel the safety offered by the Sacred Heart of your brother and Saviour, The Christ.

8th February 2006 (Apparition Night prayers) via locution to Eileen

I want you to meditate on the passion of your Lord and Saviour Jesus the Christ. Come to a deeper understanding of all He suffered for the redemption of mankind and so you would have life anew. Bring your sufferings to Him and unite them to His cross and you will also be part of redemptive suffering for others. Do not be full of despair but cling onto hope. Hope in a bright future filled always with the abundant love of your Heavenly Father and Jesus His Son given to you through the Holy Spirit. The world needs to go through this spiritual cleansing so that God's children will be able to live their lives bathed always in the light and love of Jesus the Christ. Offer many self sacrifices and prayers to help in this redemptive work and stay close to your Heavenly Family. The evil one tries desperately to lure God's children into sin and darkness and will stop at nothing to tempt them to come away from the light. Pray always to be guided and protected so that you stay close and on the narrow path which leads to salvation. Do not judge others and the path they take instead reach out in love to all and let God bring them back to where they belong. God sees each person's heart and wants more than ever that they repent and turn away from sin. He is a patient, loving God and waits for them to come back. Help others to come back to the knowledge of the truth in their lives. Reach out in compassion and mercy and guide them by your gentle, loving actions. Time is of the essence and I ask you not to delay in your good works and constant love to others. Do not be alone in your faith journey but try always to be near others who can love and support you on this difficult road. I want you to know that you are never alone but believe in the love given to you always by me, your Mother and by the Holy Trinity. I ask you to always stay close by your faith, hope and mostly by your love. I am with you this night and always.

Through Mary
to Jesus

March, 2006

Dear Friends,

The messages of the last week have been drawing us into a closer relationship with Our Lord of the Divine Mercy. Last Thursday night St. Faustina appeared during the apparition and again on Saturday, Sunday and last night (1st March).

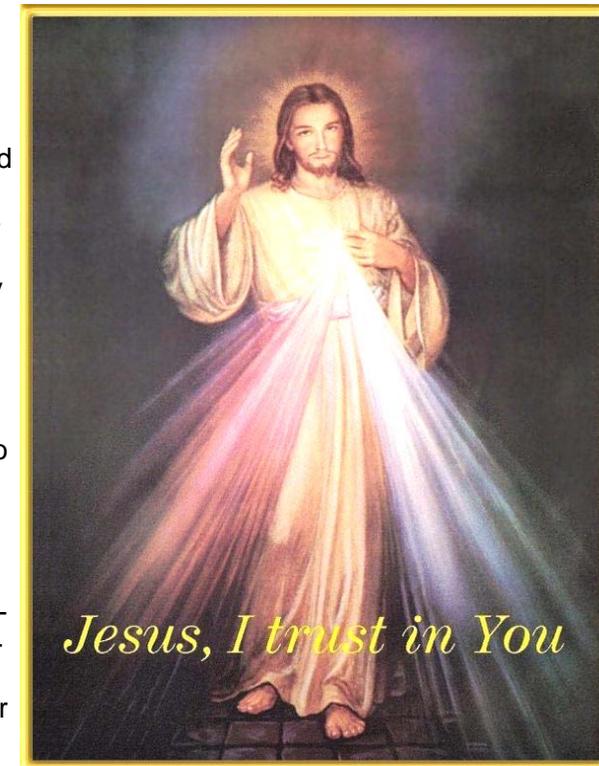

On the Thursday night we had been talking about the Divine Mercy and St. Faustina. I had also read on the internet prior to the apparition about the very same thing and we had also received in the mail that day a picture of the Divine Mercy.

After the apparition of 23rd February, Eileen went over to Bethany to type the message given to her. As she bent down at her feet was a video

cassette called Time of Mercy.

The video was about Sr. Faustina so she came back over and we all sat and watched it. I went to bed feeling so elated at how good our Loving Father is and how abundant His signs are. Even though we have been saying the Divine Mercy Chaplet for a long time it made me understand more fully the importance and I have now started to read the Diary of Sr. Faustina and through the messages we have also started to talk to pilgrims about The Divine Mercy. Over the page are some of the messages that we have received in the last week. The Novena for The Divine Mercy starts on Good Friday and finishes Sunday after Easter (Divine Mercy Sunday).

Thank you for your prayers and support. God Bless you in this special time.

24th February 2006 (Jesus Morning Prayer in front of Tabernacle) via Eileen

My child,

I whisper close to your heart. Come close. Do not stay distant. Listen to my words to you. Let me use you as an instrument of peace. Do not fear persecution. I want you to be gently of heart and full of mercy, condemning no one. I want you to spread my message of love and Divine mercy to all. Do not be afraid to take on this work. Give to all the true hope they need, a hope in their future filled with my mercy and love for those who believe. I will be with you every step of the way. Do not be afraid, stay close and I will guide you. Be always peaceful in all you do.

24th February 2006 (Night Prayer) via locution to Eileen

Do not fear all which is to come. Pray to be replenished with the gifts of the Holy Spirit especially ask for the gift of fortitude to enable you to persevere always no matter what trials you experience. I ask you to embrace at this time the Divine love and mercy of my Son Jesus and pass on to all His message of merciful love. I ask you to courageously step out and let others know the importance of praying to Jesus for His Divine mercy. Make it your mission in life to bring many back on the path of light and love through the merciful love of Jesus. Do not be afraid to encourage others to pray the Divine Mercy. So many people have turned their back on God and are not aware of His abundant love, mercy and compassion He wants to show them. They search in so many ways to find fulfilment in their lives and do not realize that the way to lead a fulfilling life can be found when you follow the way of God. This way is through the merciful love of His Son Jesus the Christ who gave His life in total love, mercy and compassion for the redemption of mankind and rose again so we may have a new life. I want you to be a vessel through which the merciful love of Jesus can flow out to others. Be compassionate and show mercy to others and through your loving actions the light of Christ will flow out to those in need. Do not fear persecution. Humble yourself completely and do all for the glory of your Heavenly Father. Encourage others to call upon the merciful love of Jesus as He listens and answers all prayers given to Him in this way. I am your Heavenly Mother and I want you to come close to my Son Jesus who will always protect and guide you when you pray humbly for your needs imploring His help through His Divine mercy. Be bathed in the blood and water flowing out to cleanse you and receive the many graces He longs to give you through His merciful heart. I remind you to pray always with a humble heart and accept the merciful love of your Eternal Father through Jesus Christ His Son. Go now with the peace and joy of Christ in your heart.

23rd February 2006 via apparition to I.A.N.

I want you to know that all of God's children who sincerely glorify the Divine Mercy of my Adored Son, Jesus, and encourage others to trust in that mercy will not have fear at the moment of their passing. The Christ stands before Almighty God The Father as your Saviour as well as your judge. Have no fear for His love and Mercy and forgiveness is upon those who are faithful to His word and obedient to His commandments. Accept His wisdom which is given through The Holy Spirit and always seek to live with peace in your heart. Know that all which is of God will give peace to you and you will be filled with love and gentleness and compassion for all these are His gifts. If you let go of the worldly matters which cause you anxiety and selfish thoughts and distract you from The Father then you can easily see and accept the great free gifts which will give joy. Come to the Sacred Heart of The Christ and bathe in His wondrous and glorious light of Mercy. I wait only to guide and to lead you and all who desire to find salvation and peace to His presence.

25th February 2006 via apparition to I.A.N.

Do not fear, is the message I give to you this day from our Eternal Father. Life should be like faith, simple and uncomplicated. When you create difficulties in you life you loose the sense of purpose you had. With enough distractions you will become blinded to the joy of existence in God's creation. He has supplied you with all you need and the desire to accumulate is not a seed which He has sown. Many have more than you and so many have less and I speak of a spiritual sense not in terms of worldly possessions. Find happiness and peace in the acceptance of the Divine mercy offered by my Adored Son, Jesus. He accepted to suffer and die in place of you, so that you could be freed from your sins and receive salvation. Have faith and trust in Him for He is your Saviour. Pray for your heart to be open to His great mercy and love today as His sacrifice is remembered upon the Holy altar. Pray for your brothers and sisters to come to Him and to allow His love to be revealed to their blinded eyes. Seek only to be in harmony with His plan and you will find freedom and joy beyond understanding. Let go of your concerns and let God into your life and thus enter His glory.

Please phone Patty or Eileen on 08 95279165 if you wish to book to stay at Bethany. The house sleeps 8 people. The cost is by donation as we do not wish to disadvantage anyone. It is fully equipped and pilgrims need to only supply there own meals. They are also able to join us in the grotto for 8pm prayers.

Next Day of Prayer is 25th March, 2006. Mass will be celebrated at 11.30am. Please bring a plate of food if intending to stay for lunch.
