

8<sup>th</sup> September 2006 (Apparition night) - Eileen

The Father in Heaven gave me the title of Queen of Heaven and Queen of Earth. I long to be Queen of your heart. Open your heart up to my love and listen to the instructions I have been allowed to give you. Learn the true virtue of obedience. When you obey the Word of God you learn to trust completely and you are less likely to rush ahead of God's plan. Obedience also means that you must learn to have patience and to be persevering. God's Divine Will must be done in His time not yours. When you obey the Will of God you let go of the controls and let God guide you. Learn the

lesson of true obedience through my Son Jesus. He obeyed the Will of the Father in all He did even unto death. He trusted completely in the Divine Will of the Father. Learn to imitate Jesus your Lord and Saviour in all you do. Humble yourself and learn to love honour and serve your Lord and God in all you do. It takes courage and strength to follow the way of Christ. Many of God's children have totally rejected His plan for them and do not follow His commandments. They lead lives in reckless abandon living for the moment and not worrying about the consequence of their actions. I ask you to pray for the many that are so distant from God that they will change their ways and listen to the words of wisdom they are given in so many

different ways through the inspiration of the Holy Spirit. Pray that they will open their hearts, be healed of their hurts and fears and accept the love of me, their Heavenly Mother and the love of the Father through Jesus the Son. Your prayers are powerful and together we will destroy the rule of satan. Cling onto hope. Trust in God and learn how to love all who God puts in your path. Do not be afraid to step out in faith. Read the Acts of the Apostles and know that your brothers the Apostles stepped out in faith were obedient to the Will of God and learned to reach out in Christ-like love to many and through their actions brought many to the knowledge of Christ Jesus. You are also called to follow this same path. By your love, others will learn the love of Christ Jesus Lord and Saviour for all, Prince of Peace, King of Kings. Let me by Queen of your heart and I will lead you on this journey towards the Kingdom of God.

September, 2006

The following message was given by Jesus. I felt that I should include it with this newsletter.

**23<sup>rd</sup> September 2006**

My Children I stand before you this day with tears in my eyes and sadness in my heart because the words you have been given for so long are not listened to. My Mother has given directions to many and those who carry the messages are not listened to and are persecuted and ridiculed for my sake. I say to those who speak and listen to the words: do not fear and do not give in to the abuse you receive for those who honour me and my Father will find great honour. Pay attention to the words our Mother gives to you for they come from me and the Father. The truth and light of those words take root within your souls when you accept the gifts which Our Holy Spirit gives to you in order to nourish the seeds which have been planted. Remove your selfish and wicked ways and seek a simple and uncomplicated life full of mercy and compassion and service for each other. Above all be humble and selfless in your actions and perform all of your deeds through pure love. I give you peace beyond understanding and all redemption and salvation is achieved through peace and not intimidation or threats or violence against the other. Remain alert and rouse your brothers and sisters from their slumber and their false comforts. Speak the words of truth which you have always had and seek the forgiveness I wait to refresh you with whenever you come to me and admit your faults. Do not seek to hide in the darkness which you have built around yourself for I bring a light to the world from which nothing can be concealed. Be prepared for the time of great trial is drawing near and you must remain awake and ready for the call to battle against the evil which tries in vain attempt to rule you. Trust in the plan which has been laid for you since time began and surrender to My Will and I will be your warmth and your bread. Allow me to again hear your sincere prayers and know that the battle is being won by those who have remained faithful and obedient. Read the words contained in the Epistle of James 1 12 to 18 and learn from them, for they are my words to you.

**8<sup>th</sup> August 2006 — I.A.N.**

Think less of the present and look more to your future. What you do today affects what is to become of your immortal soul. It is not good enough to wilfully sin and say you will repent later for, as you have been told, there may not be a later time for you. Serve our Eternal Father in obedience and humility and seek to repair your damaged souls now. Accept the grace He pours upon you and allow His will to live through your lives. So much is given to all and much has been shown and yet so many reject and deny the presence of Almighty God in their lives. Soon you will not be able to ignore Him and still many will deny it is God whose presence is being seen and felt. Freewill is the burden that all have been given and it is the greatest tool which satan and all the evil spirits use to capture your souls. A wilful desire to attract worldly items and be prideful of those possessions is borne of greed and selfishness. Selfishness comes about by your want to willingly possess and accumulate without regard for others or consequence. Your possessiveness gives way to much fear. You loose sight of simplicity and can not imagine life without comfort or so called security. Such is satan's deception that he leads you to have much and gain nothing. Truly simplicity is the key to happiness. Live a simple life and a simple faith. Keep your needs simple and your prayers sincere and simple. Let go of the complications of the world and find joy and peace. Receive my Adored son, Jesus, into your hearts and find forgiveness in His divine mercy. You will suffer for your decisions for many will fear what you teach because it is foreign to what they want to believe and they will seek to turn you away from the lighted path. Bear your trials and persecutions with patience and with the perseverance which will be given to you by The Holy Spirit. Trust and hope and remain faithful to the end and you will see our God and become enraptured in His glorious presence. Go out to your brothers and sisters firm in the knowledge that God sees all which you do to further His kingdom and His plan. He will be your shield against the bitterness of those who think they are in the light yet still cling to the shadows. Those who seem to be willing may not be but do not dismiss those you think may not listen for their need is as great as any. Pray and discern and use the little time you have to further the redemptive work which you are called to.

**8<sup>th</sup> September 2006 - I.A.N.**

Remove your thoughts and senses from the evil which tries to lure all on earth and is a great distraction which keeps God's children from their Eternal Father. Close out the temptations of material wealth and seek to serve our Father on simplicity and do so quietly and selflessly. Remain steeped in prayer and never allow the love of God to be supplanted by worldliness and

temporary gains. Remain strong and committed against those who would seek to lessen the value of the truth and sacrifice of my Adored Son, Jesus. Remain faithful and obedient to the Holy commandments of God and always be prepared to perform His Holy Will. Be prepared through prayer and contemplation and fasting and the reception of The Sacraments. Come to the forgiveness of The Christ through your willing acknowledgement of your sin and your heartfelt desire to amend your ways and also by your actions to support your desire to change. You do not know when and where you may be called so it is well to always be prepared and living in the protective light of the word. Remain at peace and give that peace to all you meet. Read Holy Scriptures for guidance and revelation of God's will through His words and inspired words read St. Paul's 2<sup>nd</sup> letter to the Thessalonians Chapter 2 verses 7 and 8 and remain awake and aware at all times.

**8<sup>th</sup> August 2006 Apparition night — Eileen**

Understand that it is necessary for you to be tested like gold and silver to purify your motives and to help you to learn to trust more fully in the merciful love of your Father through Jesus His Son by the graces poured down upon you through the Holy Spirit. Do not be afraid to suffer, my little one. You will be protected. I am with you and will look after you. Pray always for my guidance and help. I am a caring Mother who longs to give you the loving support you need. I ask you to gain the strength you need for the way ahead by your prayers offered and by taking time for stillness. I ask you to empty yourself of the endless distractions which take you away from your Heavenly family. Do not have your life so full that you have no time to pray and listen to the words of your Lord and God. I remind you to be discerning in every situation you are faced with. Do not rush ahead and speak many words but practice more the ways of your Lord. Be thoughtful and steeped always in gentleness and compassion not judging those who hurt you by their thoughtless actions. Reach out in love to these people and help them to begin to know the ways of Christ Jesus by the Christ-like love you show them. Do not retaliate in anger when they hurt you with their words. Stay silent and diffuse the situation and then calmly reason with them. Ask for the Heavenly help you need in every part of your life. Learn the ways of your Lord and Saviour. I remind you to not be afraid to carry the crosses of life. You will be strengthened and given the courage needed. Turn away from the arrogance of the world and embrace true humility of heart. Do not always seek the praise and glory of your peers but give any praise to your Heavenly Father. I know that you have many burdens and I want you, this night to let go of the burdens you carry deep within and embrace the light and love of Christ Jesus. Let this light shine out like a beacon to others with your pure love of the Father through Jesus the Son by the gifts of the Holy Spirit. I remind you to trust completely even in the times of darkness and
